### 3. Transportation

**Airports to City Center:**

The Bydgoszcz Ignacy Paderewski Airport (BZG) is approximately 15 minutes from the city center by taxi or public transport (bus). The bus service is a reliable option, they run every 30 or 60 minutes (depending on the time of the day).

When arriving at Gdańsk Lech Wałęsa International Airport or at Warsaw Okęcie Airport, the best way to reach Bydgoszcz is either by taking a train or renting a car.

From Gdańsk Airport, you need to reach either Gdynia Główna Train Station or Gdańsk Wrzeszcz Train Station (you can take a regional train, approx. 25 mins) and then take a direct train to Bydgoszcz Główna Train Station (approx. 2 hours)

From Warsaw Okęcie Airport, you need go to Warszawa Wschodnia train station (you can either take a regional train or a taxi/Uber/Bolt) and from there you can take a direct train to Bydgoszcz (approx. 3 hours).

**Public Transportation:** Bydgoszcz's public transportation system is efficient and affordable. You can use buses and trams to get around the city. We recommend purchasing a 24-hour travel pass, available at any bus and tram stop, at kiosks and online.

**Taxi Services:** Uber and Bolt are available in Bydgoszcz, along with traditional taxi services.
